APRIL MEETING

Phil Irons will be demonstrating at our meeting on April 15th. Phil has visited the club before, but not for several years.

Phil began turning professionally in his 30s, and has taught and demonstrated internationally. You can check out his work on his website: www.philironswoodturning.co.uk.

MARCH MEETING

The weather really got the better of us last month - with heavy snow forcing the last minute cancellation of our March meeting, where Mick Hanbury was to have demonstrated.

Unfortunately, Mick had travelled to us from his previous demonstration in South Wales on the Saturday evening, where he was staying overnight with Mike Butterfield. The snow fell overnight, forcing the cancellation of our meeting and trapping Mick in Mid Wales until Monday morning.

We can only hope that Mick will not be put off returning to Mid Wales to demonstrate at some point in the future, and that Mike Butterfield managed to have a one-to-one masterclass with him (always supposing Mike's workshop has some heating, and wasn't buried in a snow drift!)
