### NOVEMBER MEETING

Our November meeting is a "Hands On" event. Please note that the meeting starts at 1:30pm. Come along and have a go yourself or see demonstrations of some of the following surface decoration and carving techniques:

- Proxon long neck grinder with a range of cutters including Sabutooth.
- Small high speed cutters of various shapes.
- Power carving.

All of these can be used on a range of projects, bowls, platters, vases, and box lids. Finished examples of this kind of decoration will be on display at the meeting.

### COMPETITION

Phil Dalton (*the previous Competition winner*) has decided that the challenge for the next club competition is to be a small bowl, no larger than 5 inches in diameter. Colouring, piercing, texturing are all allowed, but not obligatory.

The bowls will be judged by Phil at our January meeting. Entry fee will be the usual £1 per entry and there will be a prize for the winner.

# PAUL HANNABY

Paul Hannaby's demo was focussed on box making and made three boxes for us. The first was a mushroom shaped box in yew.

The second was a needle case in boxwood with a threaded lid. This box has room for storing threads and needles and is designed to be an emergency sewing kit.

The third box he turned was a pagoda style box in Asian Striped Ebony which finishes to a glass like surface.
