### SEPTEMBER MEETING

Our September meeting brings Emma Cook "The Tiny Turner" back to demonstrate for us again. She last visited in 2017. Emma has been turning since she was 16, and is now teaching and demonstrating, along with her other passions of woodcarving and jewelry making. You can see a gallery of her work on her website [www.thetinyturner.co.uk](http://www.thetinyturner.co.uk).

### COMPETITION

Due to the low number of entries in the July competition, it was decided to give everyone a bit more time over the summer to make their entries. Please bring your entries to the September meeting for judging.

To refresh your memories the competition was set and will be judged by David Payne, the winner last time. David asked entrants to turn something decorative - which must feature a twist or a spiral inlay of some kind. (*It could be anything - use your imagination*).

It costs £1 for each entry and there will be a prize for the winner - who will also be asked to set and judge the next competition.

### WANTED RAFFLE PRIZES

Please remember to bring something for the raffle table at the next club meeting on 15th September.

# “HANDS ON”

Our “Hands On” meeting started off with having a go at long hole boring on the lathe using a variety of different types of drills - some attempts and types of drills were more

successful than others at boring a straight hole through the lengths of oak John provided!

John also demonstrated how he planes and cuts beads with a skew chisel, and how he cuts coves with a gouge. He then went on to show us hollowing out a yew vase with a variety of the hollowing tools available for loan from the club library.
